

Summer 2017

Dear Butler Residents and Merchants,

Throughout the past year The Friends of the Butler Public Library has continued to improve and upgrade our library beyond what the local budget provides. This has included the purchase of three new public computers; two printers; one 3D printer; an AWE After School Workstation; one-half of the subscription to the Testing and Education Reference Center (the Butler School Board picked up the other half); a vacuum cleaner; a donation to the April Children's Gift-A-Book Program; a donation for supplies for the Summer Reading Program; a donation to the Video Center of Arts Performances in Theaters, Inc. for their 2016 Veteran's Conference/Film and Events; and the funding of the Museum Pass Program to the Morris Museum, Grounds for Sculpture, Imagine That Children's Museum, and the Intrepid Sea, Air, and Space Museum. It is so exciting to provide support for the great things happening in our library, and none of this would have been possible without your generous donations.

We also planned fundraising outings to the High SocieTea House and Painting with a Twist, which were very well attended and proved to be very enjoyable. We hope you will take part in our future activities. Our next outing will be a return visit to Painting with a Twist on August 20th. We had so much fun we want to do it again!

Please join us and become a Friend of the Butler Public Library for 2017. We will include the names of those contributors who wish to be recognized in our next newsletter. In addition, patrons donating \$100 or more may choose to have their names engraved on our Patrons' Plaque. Of course your privacy will be respected if you prefer not to be listed in either place, as many of you have so chosen. We wholeheartedly thank you for your continued support.

Sincerely,
Marlene Donnelly
