

**Movie Recommendations Welcomed**

Sometimes, we are asked if we know of any good movies in the Library collection for a person to watch. If you have any recommendations of good movies available at the Butler Library, please share that with us. We can pass on your recommendations to other patrons.

**PLEASE HELP:**

We love signing everyone up for programs, but it saddens us when someone does not show up for the program on the day of the event. We spend a lot of time planning and setting up programs for everyone and would like a courtesy call if your plans change. We can then call others who are on the waiting list and give them an opportunity to join us.

Thank you!

Sincerely,  
The Staff at the Butler Public Library

6:30 pm – 7:30 pm

Presented by Sandi Liss, Owner of  
SoulJourney Metaphysical Store

Have you wanted to get a psychic reading but didn't know where to go? Or whom to trust? Or how much to spend? Ever wondered why the readings you've gotten couldn't have been more off? If you've answered 'yes' to any of the above questions, then join us for an informative talk on psychics in general and readings specifically. We'll talk about what to look for in a good psychic; your behavior as well as theirs; what to expect... and not; and so much more. Bring your questions and concerns and we'll get to as many as we possibly can. Sandi Liss is the owner of SoulJourney, New Jersey's longest, continually-operating metaphysical store (for almost 27 years!). She is an avid lover of the Tarot and oracles, crystals, and delights in creating spells for unusual and intricate purposes. She is a Master in three different types of Reiki, an NCGR-certified Astrologer, and is currently working on a book. She is a dog lover, was Mom to two deaf Dalmatians before they passed, and supports Tri-Boro Animal Welfare with kissing booths at SoulJourney's bi-annual psychic fairs.
