

## Career Resources at the Butler Library

### In Print

The Library has books available for patrons on potential careers. They can be found in the 371.4 section in both the Adult and Juvenile sections. Among the titles you will find in that section are:

### Careers in Focus series:

Activism | Animal Care | Business Managers | Coaches & Fitness Professionals  
Cosmetology | Comic Books and Graphic Novels | Education | Geriatric Care  
Law | Medical Technicians and Technologists | Mathematics and Physics  
Music | Nursing | Photography

### Careers In (series):

Arts (Fine, Performing and Visual) | Green Energy | Outdoors | Nursing |  
Protective Services Social Media Sports & Fitness | Sports Medicine & Training

### Online:

The titles in the "*Careers In*" series are also available online.

Go to <https://online.salempress.com> and type in your Library barcode number.

The *LearningExpress* database has two centers where you can find information on careers. (Click the "Quick Links" tab for a link to *LearningExpress*)

The "*Career Preparation*" center has a "Learn More about a Career" section. That section has information on the following careers:

Allied Health | Culinary Arts | Law Enforcement | Legal Mediator | Nursing  
Paralegal | Social Work | Teaching

The "*Job and Career Accelerator*" center has an "*Explore Occupations*" section. This section allows you to explore information on occupations in the green economy, occupations in-demand and occupations in general.
