

Fall 2023

Dear Friends,

The Butler Public Library is the hub of our community, serving our patrons in many diverse ways. Our organization, The Friends of the Butler Public Library, is proud to have been in existence since 1984, continuing to provide the support needed over the past 39 years to assure that our library patrons find their visits to our library to be very satisfying experiences.

Go to the library's website (<https://www.butlerlibrary.org>) and check out what is being offered. Programs are available for everyone, from the three-year-old attending Story Time to the senior citizen needing help with technology. Become a member of one of the library's book clubs, or sign up to watch a movie. Enjoy and learn from one or more of the many programs presented each month, or consider using one of our Museum Passes so your family can have a wonderful day out. There is so much available to you, and many of these activities have been made possible by the financial help from the Friends of the Library. We provide that support through your donations. We understand how important you are to us.

We are continuing to revitalize and expand our active Friends group. We would love to have you join us and add your input into ways to enhance what is happening at our library. Our meetings take place on the second or third Monday, every other month, at 6:30 pm. The first meeting of 2024 will be on Monday, January 8th.

Whether you are an active member or not, we encourage all who use the Butler Library to become Friends of the Butler Public Library for 2023-2024 by making a donation, thus allowing us to continue to provide the financial support that our library needs. Donations can now also be made on the library's Facebook page by searching for Butler Public Library (<https://www.facebook.com/butlerlibrarynj/>) and clicking the Donate button. We wholeheartedly thank you for your continued support!

The Friends want to wish Library Director Luis Rodriguez the happiest and healthiest of retirements! The Butler community has certainly benefitted from all that Luis has done to make the Butler Library a wonderful source of information and a friendly place to visit, and though we are thrilled for him, we are sorry to see him go. He will definitely be missed!

Sincerely,

Marlene Donnelly
